

# Milking Spiders

Name:

Period:

*In each of the boxes below, make a drawing to show the steps one needs to follow to collect venom from spiders. Use the Dirty Jobs video to help you.*

1. Collect spiders outside.

2. Transfer spiders to storage cups.

3. Collect maggots to feed to spiders.

4. Feed spiders maggots and crickets.

5. Put spiders to sleep for a little bit.

6. Collect venom from sleeping spiders.
